Dear Nicholas

I have pleasure in confirming that the Governors of the Foundation have been pleased to grant you a scholarship to enable you to proceed overseas for the purpose of gaining further experience in the techniques and procedures of your trade. The scholarship, which is intended to cover the cost of your travel from Melbourne to the place of employment and return to Melbourne, will be made available to you on the following conditions:

1. That unless otherwise approved by the Board of Governors, you will avail yourself of the scholarship within 12 months of its being awarded.

2. That you will give an undertaking to serve for a period of up to two years overseas in employment arranged for you through the Foundation. This period may be extended in special circumstances by mutual agreement.

3. That you will give an undertaking to return to Australia at the conclusion of your training.

4. That you will submit quarterly and such other reports of your training abroad as may be required by the Board of Governors.

5. That you will give an undertaking not to engage whilst overseas, in any form of activity which might bring you into conflict with the Civil Authorities of the country in which you do your training.

6. That you will, if required, submit satisfactory evidence as to your medical fitness.

I should be glad to have your acceptance of these terms in writing. We intend to commence negotiations regarding your employment overseas as early as possible and you are requested to make an appointment with me to discuss the kind of training you wish to cover.

The award of a scholarship to you is being made known to your employer and it is possible that they may be prepared to assist in placing you overseas. If this is so we should be glad to learn more about it.

The presentation will be made at an official function on Friday, 20th October 1989, at 4.00 p.m., in the Henry Rickards Room, at the Victorian Automobile Chamber of Commerce, 464 St Kilda Road, Melbourne.

Please report to me at 3.30 p.m. on that date to complete preliminary arrangements for the presentation.

Any members of your family that you would like to attend would, of course, be welcome. Please advise Tracey Nalder how many seats you would like reserved.

Yours sincerely,

per Tracey Nalder
